

LIVING AREA / HALLWAY

10-YEAR SEALED PHOTOELECTRIC SMOKE ALARM

Quell Smoke Alarms

Quell's range of smoke alarms provide a total smoke alarm solution for the home.

Each Quell branded smoke alarm is Australian Standard certified and comes with a 10 year warranty.

Protect your family

House fires develop in different ways and are often unpredictable. As smoke alarms have sensing limitations, it is recommended that both ionisation and photoelectric smoke alarms be installed to provide maximum detection of the various types of fires that can occur within the home.

Ionisation sensing alarms may detect invisible fire particles (associated with fast flaming fires) sooner than photoelectric alarms.

Photoelectric sensing alarms may detect visible fire particles (associated with slow smouldering fires) sooner than ionisation alarms.

Please refer to the user manual prior to installing any smoke alarm.

Features and benefits

- Photoelectric sensor**
 Advanced sensor that detects visible particles associated with smouldering fires.
- Central Hush/Test button**
 Easy to operate. Tests the alarm circuitry and horn and silences nuisance alarms.
- Sealed-in lithium battery**
 Maintenance and hassle free with prevention from tampering and removal. The alarm is always on, with no battery replacement required for the 10-year life span of the alarm.
- End-of-life notification**
 Alerts you after 10 years when it's time to replace the alarm.
- Ramp-up horn**
 Allows sound emitted during test sequence to be reduced to a more acceptable volume for the user.
- Bug screen**
 Prevents nuisance alarms caused by insect infiltration.
- 10 year limited warranty**
 Provides peace of mind with a decade of smoke and fire detection.
- Australian Standards approved**
 Complies with Australian Standard AS 3786:2014 incl. Amdt 1 and Activfire listed for quality assurance.

LIVING AREA / HALLWAY 10-YEAR SEALED PHOTOELECTRIC SMOKE ALARM

Product specifications

Product Code	130414
Model Number	Q1400
Power Source	10-year lithium-ion battery (sealed inside the alarm). No battery installation or replacement necessary for the life of the alarm
Smoke Sensor	Photoelectric
Audio Alarm	85+ dB at 3 metres
Size	104 mm (diameter) x 45 mm
Weight	0.30 kg
Interconnects	No
Temperature	Operating range: 0°C to 40°C
Humidity	Operating range: 5 - 92% relative humidity (RH)
Warranty	10 year limited warranty
Certification	Activfire® listed. Complies with Australian Standard AS 3786:2014 incl. Amdt 1
