Interconnected Smoke Alarms

Quell Wireless Interconnected smoke alarms can detect a fire somewhere in the home which then triggers other alarms in the network, giving you and your family a better chance to escape.

- Independent, wireless alarm network
- No WiFi internet required
- Easy to connect - voice activated instructions
- Connect up to 24 Quell wireless devices
- Eliminates need to hire an electrician
- DIY - easy to install

Long Life Series Smoke Alarms

Quell Long Life Series smoke alarms offer 10 year Sealed-in lithium batteries, making these alarms maintenance and hassle free with no battery replacement for the life of the alarm.

- Sealed-in lithium battery
- Photoelectric sensor
- Single screw mounting bracket for easy installation
- Smart Hush button
- Test/reset button
